at Fair Haven School

Highlight of the Month

Students, educators, and community leaders came together for the 16th annual SNOWBALL event, a tradition founded by our beloved physical education teacher Ms. Sharon Arnold. Designed to inspire Pre-K through 8th-grade students to envision college and success, the celebration featured performances, special guests, and unwavering support from university presidents, law enforcement, elected officials, and nonprofit organizations. Highlights included a joyful performance by first graders dancing to *Happy* by Pharell Williams, joined by a special guest Frankie Falcon from Albertus Magnus College.

What's Happening?

This week at Fair Haven School, we had our partners at the Eli Whitney Museum pay our 2nd and 3rd graders a visit for in-class demos. We believe that every student deserves an opportunity for experiential learning inside and outside of the classroom. Here we have Ms. Kiran Zaman, Director of Programming, showing Ms. Carter's second graders how to build a six-penny topper together.

New Haven Counts

Fencing

Eli Whitney Museum

Congratulations to New Haven Counts!

We're so excited that you had the opportunity to meet our fabulous fifth/sixth-grade math teacher, Miss Destiny Johnson! Her after-school math group had an amazing time learning all about NBA Math Hoops and mastering the art of dominoes, thanks to your wonderful facilitators.

Congratulations to the Eli Whitney Museum!

We are excited to celebrate the Eli Whitney Museum for receiving four more applications from parents during report card conferences! Your impact continues to grow, and we appreciate your dedication to engaging our students and families. A huge applause for the four in-class demos you conducted with younger grade levels! The enthusiasm from both students and teachers speaks volumes, and we're thrilled to see the growing interest in bringing even more in-class demos to our school.

Congratulations to Our First Fencing Group!

We are so excited to celebrate our very first fencing group for nearly reaching full capacity! Our six students are eager to continue learning and honing their skills under the guidance of Mr. Carrington, their dedicated instructor. We can't wait to welcome even more students!

AFTERSCHOOL SHOUTOUTS!

New Haven Reads

Congratulations to New Haven Counts!

We are thrilled to celebrate your incredible growth—more students served and more tutors joining the program! Your hard work and dedication, day in and day out, Monday through Thursday, does not go unnoticed. The impact you're making in our students' lives is truly appreciated!

Solar Youth

Congratulations to Solar Youth!

We celebrate Solar Youth for their resilience and ongoing efforts in recruiting students for their amazing program! Your facilitators do an incredible job engaging and inspiring our students every day. We're also excited to have you join us at the Community Resource Fair at the Q House to share valuable resources with our students and families.

Arte Inc

S.P.O.R.T Academy

Congratulations to S.P.O.R.T Academy!

We are thrilled to celebrate S.P.O.R.T Academy for being the first program to have 30 students participating in chess! Your dedication and hard work are truly commendable, and we applaud your commitment to providing students with this incredible opportunity to learn and grow through the game of chess.

Congratulations to Arte Inc!

We are excited to celebrate Arte Inc for being the first program to have over 20 students in the soccer clinic! Your dedication to enriching our students' experiences is truly inspiring. A huge shoutout to Mr. Dmitri Schevchenko, a.k.a Coach D, for leading the way and keeping our students on a winning streak every Wednesday and Thursday! We're grateful for your commitment and leadership on and off the field.
